

Hydrafacial Pricing & Details:

\$199 Signature Hydrafacial –

This 30-minute procedure deeply cleanses, extracts, and hydrates the skin. This is all done with our super serums filled with antioxidants, peptides, and hyaluronic acid.

\$249 Deluxe Hydrafacial –

A 50-minute treatment that features our Signature Hydrafacial treatment plus a booster of your choice. Our boosters address skin tone, texture, dark spots, fine lines, wrinkles, and congested pores. Light therapy is included to address aging skin or acne.

\$350 Platinum KB Hydrafacial –

This ultimate facial starts with detoxification through lymphatic drainage. Followed by our Signature three step treatment. Next dermaplaning, a booster, jelly mask, and Light Stim LED light therapy. Leaving you with the cleanest skin of your life.

\$125 Hydrafacial Back –

Deeply cleans, decongests, hydrate and protect the neglected skin on your back. By removing dead skin cells that are dulling your complexion and infusing your skin with essential vitamins, minerals and powerful antioxidants, we can clear the pores, refine your skin texture and repair damage.

\$49 Hydrafacial Eye Perk Add-on –

Brightens, tones, and firms the outer eye. Improves skin hydration, and gently removes surface layer dead skin cells.

\$49 Hydrafacial Lip Perk Add-on –

Delivers hydration and natural exfoliation while addressing the signs of aging. This treatment will leave your lips looking younger, smoother, and rejuvenated.

\$50 Lymphatic Drainage Face –

Rid your face of toxins and swelling with our Hydrafacial, patented lymphatic device that uses high pressure suction.

\$100 + Lymphatic Body Drainage –

Removes swelling that occurs after a surgical treatment or illness that blocks your lymphatic system. Great for post tummy tuck or face lift surgery.
